

## Attention

Please be advised of recent changes to the exclusion criteria when an early learning and childcare facility fall in a red alert level. These changes allow facilities to remain open ensuring enhanced health and safety measures.

Children and staff must now stay home if they have even one symptom of COVID-19. As a reminder, these symptoms may include the following:

- fever or feverish (flushed, warm to touch)
- sore throat
- headache
- runny nose
- a new cough or worsening of a chronic cough
- fatigue/exhaustion
- diarrhea
- muscle pain
- loss of sense of smell and taste
- in children, purple fingers and/or toes
