

Screening Questionnaire for COVID-19 for Early Learning and Childcare Facilities and Summer Camps

Note: Children or staff who have been identified by their primary care provider (or another health care provider) as having seasonal allergies or who suffer from chronic runny nose/nasal congestion are not required to be excluded.

1.	Do you have any 2 of the following symptoms:	YES	NO
	<ul style="list-style-type: none"> • fever or feverish (flushed, warm to touch) • cough • sore throat • headache • runny nose • a new cough or worsening of a chronic cough • feeling tired • diarrhea • loss of taste or smell 		
2	Do you have the following symptom: * In children, purple fingers and/or toes?	YES	NO
3.	Have you or anyone in the household had close contact (face to face contact within 2 meters) with a confirmed case of COVID-19 within the last 14 days? This question does not apply if you or anyone in your household is a Health Care Professional (HCP).	YES	NO
4.	For households with HCPs, have you or anyone in the household had close contact (face to face contact within 2 meters) with a confirmed case of COVID-19 within the last 14 days, outside the health care setting?	YES	NO
5.	a) Are you required to self-isolate due to travel within the last 14 days?	YES	NO
	b) Are you exposed to other members of your household who are required to self-isolate due to travel within the last 14 days and are unable to follow the Self-Isolation Guidance for Asymptomatic Individuals? https://www2.gnb.ca/content/dam/gnb/Departments/h-s/pdf/self_isolation_guidance_asymptomatic_individuals-e.pdf	YES	NO
6.	In the last 14 days, have you or anyone in the household been diagnosed with COVID-19?	YES	NO
7.	Have you been told by Public Health that you may have been exposed to COVID-19?	YES	NO
8.	In the last 14 days, have you had close contact with an individual who is suspect of COVID-19 while providing direct patient care, and you were not wearing proper Personal Protective Equipment (PPE)?	YES	NO

If you have answered “Yes” to any of the above questions, stay home, contact 811, and do not return to the facility/camp until clinical evaluation excludes COVID-19 or a COVID-19 test is negative. If the COVID-19 test is positive, then you must stay home and self-isolate for 14 days. Public Health will advise when isolation may be lifted.

Regarding question #5, self-isolation is not required for those that are healthy and:

- live in one province but commute to work locally or operate a business in a neighboring province; or
- provide or support things essential to the health, safety, security or economic well-being of New Brunswickers, including commercial transportation of goods by truck, train or plane; or
- are a resident of Campobello Island who must cross the border to access required goods and services; or
- travelled to another province for a medical appointment; or
- are required to facilitate children sharing their time between parents under an order or agreement providing for joint custody.
- are a resident of Avignon Regional County, Témiscouata Regional County, or the Listuguj First Nation.

Travel for these purposes requires that you go directly to and from your appointment/destination and/or your accommodations; self-monitor for symptoms; avoid close contact with vulnerable individuals (for which you are not the primary care giver); and follow the guidance of the Chief Medical Officer of Health.
